

Coverage Information

We are here to assist you in selecting the coverage protection that best suits your needs. It is our policy to always advise customers to purchase additional coverage to ensure that they are properly covered. When preparing to relocate and store with Booth Movers, Ltd., it is important to consider the following items.

Unless a greater value is declared by the owner/shipper or authorized agent, the goods are released to the moving company at a value of \$.60 per pound, per article with a \$500.00 deductible; **this is provided at no additional cost.** Please note that under these provisions, a 100-pound television valued at \$1,000.00 is covered to a maximum of \$60.00.

Additional Coverage Options*

Deductible	Rate per \$1,000 Worth of Coverage
\$500.00	\$8.00
\$250.00	\$12.00
\$100.00	\$18.00

*Case specific minimums apply. See below for further details.

Example: \$20,000 worth of coverage with a \$250 deductible would cost \$240.00
(\$20,000 ÷ \$1,000 = \$20 x \$12 = \$240.00)

A \$10,000 per bedroom minimum applies.

All claims must be made in writing and received within 90 days of initial relocation date.

- To properly cover the total value of your goods, you must cover the **full** value of all goods to be relocated; anything less will result in **proportionally less coverage**. For example, \$20,000 worth of goods covered at \$10,000 results in 50% coverage of damaged goods.
- **Maximum value** (coverage) not to exceed \$100.00 per pound, unless items noted in writing by customer prior to relocation.
- All coverage is based upon the **depreciated (current) value** of the goods.
- All coverage **will not include** lamps, pictures, bric-a-brac, plants (& pots) and cartons packed by the owner, shipper or 3rd party. These items are only covered if packed in cartons by Booth Movers, Ltd. and additional coverage is purchased.
- Booth Movers, Ltd. has the right to repair damages deemed repairable by a professional restorator. All items damaged must be held until settlement is reached.
- **Jewelry and cash are not covered.** Please relocate them yourself.
- No mechanical/electronic items covered unless there is evidence of external damage.
- The amount and type of coverage purchased will be indicated on the "Order for Service;" please verify all figures.

Please consider these items carefully.

Should there be any questions regarding coverage information above and to purchase additional coverage, contact our office prior to your relocation.
